**Aptitude Testing & Career Guidance  
Program  
For Students (IX-XII) with Learning Disabilities**

Aptitude Tests are designed to see how you would cope to different subjects, to identify your preferred learning style, your abilities profile, and your potential. .

*“ Choose a job you love and you will never have to work a day of your life ! - Confucius . ”*

*Aptitude tests assess a range of mental abilities that you use almost every day. There are several different tests, which uniquely identify your aptitudes and abilities: numerical ability, mechanical ability, reasoning ability, spatial ability, verbal ability and so forth.*

24384575/9819478538

**DURATION:** 4 -6hours for the entire Test Battery for 2 days

### What after an Aptitude Test?

We score, analyze, and interpret the tests to determine your profile. Armed with all this information we talk in depth about your hopes and aspirations. On completion of each aptitude assessment, you will be given a detailed career guidance report and a description of careers, which are suitable to your aptitude abilities, personality profile and your intelligence. We also provide one-to-one counseling and guidance session adapted to your individual needs. The counseling and guidance sessions are accompanied by a parent.

### REPORT & CAREER COUNSELING:

Taking the results into account, we chart a profile that is representative of the student's aptitudes, interests, and personality and suggest careers based on the students strengths and weakness.

### About the Report:

The computerized report consists of a tabular representation of the student's standing on the aptitudes, an explanation of the student's performance, personality assessments, as well as recommendations and suggestions relating to suitable career options. The report will be accompanied by a personal counseling session with the vocational psychologist.

### OUR ACHIEVEMENTS

So far, we have conducted aptitude tests on over 30,000 students across various schools in Mumbai as well as outside Mumbai. Some of the prestigious schools and organisations with whom we have conducted aptitude testing are:
